

American Mathematics Contest

American Mathematics Contest - The American Mathematics Competitions are a series of examinations and curriculum materials that build problem-solving skills and mathematical knowledge in middle and high school students. Learn more about our competitions and resources here: [American Mathematics Competition 8 - AMC 8](#) ; [American Mathematics Competition 10/12 - AMC 10/12](#) American Mathematics Competitions is also the name of the organization, based in Washington, DC, responsible for creating, distributing and coordinating the American Mathematics Competitions contests, which include the American Mathematics Contest, AIME, and USAMO. History. The "members of the Committee on the American Mathematics Competitions ...The American Mathematics Competitions (AMC) consist of a series of increasingly difficult tests for students in middle school and high school. The AMC sets the standard in the United States for talented high school students of mathematics. The AMC curriculum is both comprehensive and modern. AMC exams are so well designed that some top universities such as MIT now ask students for their AMC scores.
